

22nd January 2026

FORMER INGLETON HOUSE STOCK LANE INGATESTONE PUBLIC EXHIBITION

As many of you will know planning permission was granted for the regeneration of the former Ingleton House site, back in March 2024. Since then, construction costs have increased significantly, and the council has reviewed the type and mix of homes it requires to better meet the needs of local people currently on the councils affordable housing waiting list.

As a result, changes to the original scheme are needed to ensure the site remains viable while continuing to deliver much-needed affordable housing in the Borough.

We will shortly be submitting a new planning application to reflect these updates and would like to invite you to our Public Exhibition, where you can view the revised proposals, learn more about the changes, chat to members of the project team and share your thoughts and views with us.

Thursday 5th February 2026

From

2pm to 7.30pm

At

The Parish Rooms, Stock Lane, Ingatestone.

We do hope you can join us on the 5th February, but if you can't, all the information about the revised scheme will be available on our website, www.ingletonhouse.co.uk which will be live **from Monday 2nd February 2026**.

There will be paper feedback forms available at the Public Exhibition, or if you would prefer you can find an electronic version on our website.

We kindly ask that all comments are with us by **Sunday 15th February 2026**, so we can consider them ahead of submitting our planning application in a couple of months' time.
